

Ranks & Permissions

Built-in Ranks

Rank	Description
Owner	Full permissions. The founding player. Cannot be kicked or demoted by anyone except the founder themselves.
Co-Owner	Full permissions like Owner. The true Owner can still kick or change this rank.
Member	Default rank for new joiners. No permissions by default (weight 0).

Founder Protection

The player whose SteamID is recorded as the gang founder cannot be kicked, demoted, or targeted by any other member — including other owners — unless the action is performed by that exact SteamID.

Custom Ranks

Additional rank slots are unlocked through levelling (see the Rewards pages). Custom ranks can be assigned any combination of the permission flags below, and their display names can be customised (up to 24 characters).
